

**FISCAL MEMORANDUM
SB 1252 – HB 1633**

April 8, 2008

SUMMARY OF AMENDMENT (016636): Deletes all language of the original bill and requires the Department of Health to appoint an individual to work with other state departments to ensure that all programs geared towards the prevention and treatment of diabetes are coordinated to ensure minimal duplication of efforts and maximum impact to attempt to reduce health consequences and complications of diabetes. The Department of Health is established as the central repository for data related to the prevention and treatment of diabetes.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Expenditures – Not Significant
Increase State Revenue – Not Significant

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

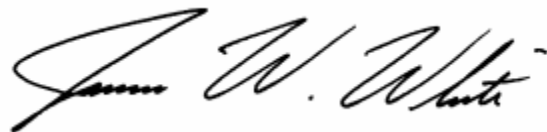

Unchanged from the original fiscal note.

Assumption applied to amendment:

- Any cost associated with the Department of Health coordinating all diabetes prevention and treatment programs and collecting the data on such programs will not be significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James W. White, Executive Director
